Experience

Customer Service Associate (CSA)

Teleperformance Global Services Pvt. Ltd, OCT/2021 - AUG/2022

- It was great working at Teleperformance in Samsung Process as a CSA, Where I got to learn how to interact with customers and help them by giving an appropriate solution for their problems. There was a vast area to explore knowledge, as having a great platform to enhance my communication skills, interacting skills, and troubleshooting skills.

Researcher

Civic Minds India Pvt. Ltd., SEPT./2022 - Present

- Researching Top engineering companies who have an open position and provide them with fine candidates.

- It is great work experience is going on at Civic Minds as a Researcher, Where I got to learn that how to interact with clients and give them fine candidates according to their requirements and here i learn that how to grow business

Hobbies

- Playing Table Tennis
- Travelling
- Listening to music
- Watch web series
